Inspire!

This year our school was chosen by Randwick Children's Hospital to be the "Inspire School of the Year". Every child had the opportunity to create an artwork based on the theme "inspire". 50 students were chosen to paint their ideal onto a canvas that was then taken and hung in the hospital.

Last Thursday night we went to the hospital for the launch of the art exhibition. It was really fun. The choir, rock band and concert band performed. We also got to look at all 50 of our wonderful paintings displayed on the walls of Level 2 outside the Oncology Ward.

It felt good to be able to do something to help support sick and injured kids and their families.

We acknowledge the original owners of this land, the Cadigal People of the Eora Nation and their elders past and present.

Diversity is our strength

Marrickville West is a school that proudly boasts 42 languages and families representing dozens of cultural, religious, social and vocational backgrounds.

In the fourth week of Term 4 we will celebrate this strength in our community with our annual Week of Diversity. Each day we will look at a different theme: families, ability, Indigenous peoples and culture. The week will end with Multicultural Munch.

Families are invited to attend the festivities on Friday 9th November. Please consider contributing a short cultural dance or song to our concert, or food to share at the lunch. Notes should have come home this week. Multicultural Munch has long been a favourite day of celebration at our school. We look forward to introducing new families to the fun this year.

Farmers Friday

The last day of this term, Friday 28 September, will be dedicated to supporting our farmers as they face the ongoing challenge of drought in country NSW. Our

students are encouraged to dress as farmers (or anything else that relates to the farming theme). We ask for a gold coin donation for those who dress up and invite families to donate to and/or buy treats from the cake stall to be run by our SRC on the day.

Safety

Please reinforce safe behaviour for children travelling to and from school. If walking, children should be encouraged to keep to the most populated and direct route, cross roads at the pedestrian crossings where possible and have a plan in case problems arise.

Thank you to the families who are continuing to make an effort to avoid driving into staff car parks. Please ensure you assist your children to leave and enter school via the small pedestrian gates (not driveways) and that playground gates are closed during school hours.

Mobile Phones

Students who need to bring a phone to school to use before or after school must hand their devices in to the office to be kept safe during school hours. Filming or recording other students without parent permission is illegal, as is posting images of others on social media. Our school has a policy and student contract outlining responsibilities when using internet or mobile devices at school. Please contact the office or your child's teacher if you require more information.

Congratulations Charmaine!

2018 Deadly Kids Doing Well Award

Congratulations to Charmaine in Year 6 who was the proud recipient of the Deadly Kids Doing Well Award. This award recognises the achievement and successes of Indigenous students in the Sydney Region.

Charmaine is a very worthy recipient. Charmaine is pictured with Mr Anthony Galluzzo, the Aboriginal and Wellbeing Advisor from School Services Directorate.

Ms Cleary says hello from Copenhagen!

Ms Saumels is still working hard in London but will definitely be back to begin school 2019!

**SAFETY
IN CAR PARKS**

All students, parents and visitors need to walk through the pedestrian walkways allocated. No-one should be walking through the carpark.

Aboriginal Dance Program

On Friday 21 September, our Aboriginal students from Years 5 and 6 were invited to attend a dance workshop run by the Arts Unit of the Department of Education.

A great time was had by all. Thank you to Miss Pana and for taking the time to support these lucky students.

Applications for Year 7 entry to a selective high school in 2020

Selective high schools cater for high achieving academically gifted students who may otherwise be without sufficient classmates at their own academic and social level.

These schools help gifted and talented students to learn by grouping them with other gifted and talented students, teaching them in specialised ways and providing educational materials at the appropriate level.

Applications for selective high school placement are considered mainly on the basis of the Selective High School Placement Test results and school assessment scores. The Selective High School Placement Test will be held on Thursday 14 March 2019.

If you would like to have your child considered for Year 7 selective high school entry in 2020, you need to apply on the internet using a valid email address (not the student's email address).

Detailed instructions on how to apply online will be available from mid-September 2018 at <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>. The application website opens at that link on 9 October 2018 and closes on 12 November 2018. You must apply before the closing date.

There are no paper application forms. Parents can contact the school for further assistance or advice.

Congratulations!

Every Friday the PSSA soccer team played different teams from the South Sydney area. Our team was undefeated and we were declared the winners of the competition. It was a great team effort and all players received medals. It was great playing different schools and there was always good sportsmanship. The last game was played against Ferncourt and we won with a 3-2 score. It was very close but Marrickville West scored the winning goal with only 2 minutes left to play.

From The Office

We have reached the end of Term 3 and no doubt, we are all ready for a break. We wish you a safe holiday and look forward to seeing you in Term 4 refreshed and ready to go!

Invoices

Invoices for outstanding payments have been sent home. Please settle these at your earliest convenience. Payments can be made via cash or Eftpos at the front office or via the Parent Online Payment (POP) option on our website.

Parent Online Payment (POP)

Visa or MasterCard credit or debit cards only accepted

Parent Volunteers to Sign in/Sign out & Volunteer Form

Thank you to all our wonderful parents, carers and grandparents that volunteer around the school, by helping teachers in the classroom, and in the canteen. Please ensure that you sign in and sign out of the visitor's book, when you are on the premises. The Visitors book is located in the Front Office. If you are on the school premises regularly, then it is recommended that you fill in a volunteers form at the office.

External Volunteers to Sign in/Sign out & Working with Children Check

All volunteers that are not related to students at MWPS, will require to have a Working with Children Check. The volunteer working with children check is free. Below is the link to complete the form and submit to the RTA

<https://www.kidsguardian.nsw.gov.au/working-with-children/working-with-children-check/apply/apply>

Vacation Care

Vacation Care will be available at MWPS from Tuesday 2 October (Monday 1 October is a public holiday) through to the end of the school holidays on Friday 12 October 2018. For more information and to view the holiday programme please refer to the website www.task-kids.com.au. For bookings please email enrol@task-kids.com.au

This week Kindergarten visited Woolworths as part of their PD/H unit on healthy eating. We had so much fun learning about all of the different fruits and vegetables. We even got to eat watermelon in the staff tea room!!!

Check out Mrs Khan, getting ready for Halloween already!

Year 1 did dance and yoga this week together. They danced to lots of popular songs and had heaps of fun!

STAGE

In Year 2 we have been exploring water sustainability. We have been discussing why our Eco Garden is important by asking questions such as Where does it get its water from? How is this helping us save water? How does it help the environment? Is there anything we can change to make it better?

SUPPORT UNIT Science and Social Skills

Year 6 have been working with students in younger years in developing their social skills and understanding a range of games. They have demonstrated leadership, enthusiasm and maturity in managing a range of interest and ability levels.

Students in K6H and 36E have been conducting Science experiments on melting objects. We made a prediction and then conducted the experiment. The results were very interesting.

STAGE 3 page

We are very grateful to Filippo D'Arrigo and the team from Raine and Horne Marrickville for generously purchasing (\$140) and then donating 5D's major art-work to the school to re-hang in a prominent position. The work is a collection of the student's individual scratch foam printmaking pieces.

Students first created a pencil design on A4 paper. They then traced over this design onto the foam – creating a deeper impression with a blunt pencil. Students worked a rubber brayer in various block ink colours and then gradually built up the ink on their foam pieces. Finally a piece of A4 white paper was placed on the foam, gently rubbed and then carefully lifted off to reveal their print.

REVIEW: The Curious Incident Of The Dog In The Night-Time

The Curious Incident Of The Dog In The Night-Time is a really good book about a teenager with autism and a beloved dog that gets stabbed with a garden fork. It is written through the eyes of the boy. There is lots of swearing in certain parts but no major violence or anything aside from the language. If you're looking for a realistic but adventurous book this is the one to go to. I found this especially interesting because it shows how overwhelming autism can be and what is going through someone's mind in certain situations.

News from The Community Centre

Paint Marrickville REaD held a successful Leader's Launch at the beginning of September. Guests of honour included Mayor Darcy Bryne, Barbie Bates, Ruth Bradfield-Ling, and Ursula Dubosarsky. We invited many local businesses to find out more about the Book Swap Boxes and why they are important for our community.

Reading with young children (even from birth!) has a profound impact not only on pre-literacy skills but also in terms of attachment with the reader. Book Boxes are now starting to appear in our local shops for increased access to children's stories as you move through routines in your day. Take a book, leave a book; read a book! Check out our Facebook page Paint Marrickville REaD for more information.

Many thanks to our generous sponsors Arepa, Gelato Messina, Athena Cakes, Banana Joes, Paesanella for the beautiful food and to Raine & Horne Marrickville for supplying an auctioneer.

Tuesdays at Connect have been bursting with colour as students and parents and community members have been creating paintings for our upcoming Yarn n Arts Exhibition at Boomali Aboriginal Art Gallery. Thanks to an InnerWest Council Grant, we have been painting for 2 terms and now have secured a space for an art exhibition. Join us at Boomali Aboriginal Art Gallery at 55/59 Flood St, Leichhardt on 30th October at 5:30 for opening night. Works will be displayed for 1 week.

Mark your diaries for 16th Oct for Pictability session from Plumtree for parents of children with disabilities.

Otto

Did you know that Otto is the school captain and he really likes skateboarding and eating pizza? He also likes basketball and can speak Vietnamese. Otto can't wait for the year six fun day because it's his favourite school event. His favourite animal is a grass hopper and his favorite thing about MWPS is Diversity. We are so lucky to have such a good school captain that loves pizza at MWPS.

Harriet Did you know that Harriet loves to ride a bike? She also loves to play dodgeball. Her favourite school event is the West Walk. Harriet's favourite animal is a lion and loves to play with her friends. She loves eating popcorn and can speak Arabic. We're so lucky to have a lion lover at MWPS.

Mr Northwood Did you know Mr Northwood used to work in an office for the police department and that he plays guitar? Mr Northwood's favourite sport is hockey and his favourite school event is Multi-cultural munch. His favourite animal is a wombat and loves working with his fellow teachers. Mr Northwood's favourite food is chicken satay. We are so lucky to have a guitar player at MWPS!

KEEP HEADS SAFE

Children are welcome to ride or scoot to school. For safety please ensure they follow the rules and wear a helmet.

If there are wheels under your feet, there should be a helmet on your head!

P&C UPDATE

DID YOU KNOW?: Thanks to your Voluntary General Contribution to the school YOU are a P&C member!

Popular Movie Night : Year 6 Fundraiser

We had a HUGE turnout to this term's Movie Night fundraiser, despite the incredible once-in-a-century hailstorm that hit just moments before doors opened! Those brave souls who faced the storm were treated to a special collection of award-winning animations from around the world.

Big thanks to Shelley, James and Mr Orgill for help in the canteen, Cynthia B. for help on the door (we hope your sodden car is okay Cynthia!) and to Mr Kelly for AV tech help! Also thank you to Jane Hope for donated food items! We raised \$1k for Year 5&6 and their busy end of year expenses.

A special thanks to Mighty Nice for covering the fees for the licensing of 'Revolting Rhymes', and Softly & Darren for organising the event.

Canteen Update

The online ordering is up and running, and we are getting up to 30 orders a day online. There are still a few glitches – but we are fixing them. Next term we can use the online ordering system to provide full nutritional details on all the food we use. We have a new upright freezer, allowing space for a new donated gas cooker, which will help increase cooking capacity. And we are changing the menu for next term – if you have any suggestions please get in touch. We will need to restart the morning coffee next term so if anyone can volunteer to make coffee, 9.20-10.00am(ish), please get in touch.

It's spring time! Secondhand Wonderland is back!

On 20 October 2018, Marrickville West is hosting our second fabulous community garage sale. Everyone is welcome to book a space to share your treasures. Last year Secondhand Wonderland was voted King of All Garage Sales, and we invite you to rule with us again!

Book a stall to clear your house, make space for new treasures and even make a few \$\$\$. This is a great way to start getting kids some hands-on commercial experience. Have they grown out of their winter clothes? Want to change your book collection? Toy clutter getting to you? Gather up your extra items. All you need is a little table or a picnic blanket to make a simple stall. \$8/space and you keep all your profits.

Vote for Secondhand Wonderland as King of All Garage Sales!! The winning stall gets a cash prize, which the P&C will use for activities at the school. Please vote and share with your networks.

To book a stall or vote for us King, go to: <https://www.garagesaletrail.com.au/sale/1259>

Find us on Facebook "Secondhand Wonderland at Marrickville West"

Make sure you join us on the day! Browse the stalls, enjoy the BBQ and gelato, shop for treasure!! Mark it in your calendar to come on 20 October between 9am and 3pm.

P&C UPDATE

continued from previous page

Intensive Swimming Program

The school has been lucky to attract funding to subsidise an Intensive Swimming Program for 240 students from Marrickville West. SPOTS STILL AVAILABLE! Students will travel to Col Jones Swim School during Term 4 in Week 4 to Week 5 (5th November – 15th November 2018) for 8 x 45 minute lessons with a qualified instructor provided for every 8 children. The normal cost for 8 quality swimming lessons + daily transport would be around \$100. Thanks to the DEC subsidy, we have managed to bring the cost down to \$70 in total (equivalent to less than \$9 per lesson). This is a saving of around \$30 per child. See the school office or school app for the note.

P&C Meeting Pulse

If you missed the meeting, here are some key items:

- P&C has been successful with an application for Office 365 non-profit account; this will simplify the exec team's coordination for meetings and notes.
- We raised \$202 for the Return and Earn Scheme at Addison Rd. A cage for returning bottles may be our next step. Plans need to be worked out for logistics, promotion, and responsibility.
- Father's Day Stall and Raffle raised \$2100! Thank you and well done Carole Campbell!
- We voted to hold our funding meeting at the end of the year. This means that the parents who helped fundraise all year can vote what to spend it on and leave a wish list for the new year's fundraising efforts. Be on the look out for funding proposal note next term!
- We also decided to push the AGM to the first meeting of each year. This will ensure time for audits after the year's spending is complete and allow for the best attended meeting to be the AGM.
- GARAGE SALE TRAIL is back! Register your stall at <https://www.garagesaletrail.com.au/sale/1259> and don't forget to vote us for King of the Garage Sale. Last year's crowning was accompanied by a \$500 bonus! 9am – 3pm Saturday 20th Oct

— Join us at Marrickville Festival Sunday 21st Oct and catch MWPS performances by Hip Hop, Choir, Concert Band and Rock Band.

— Mark your calendars for 7th Dec 6pm for a games night in the school hall.

Halloween Disco & Bizarro Bazaar Friday 26th October, 6:30-8:30pm

Mark your calendars and start planning your outfit for the most spooky fun we will have this year! Friday 26th October is the day when the ghouls and goblins of Marrickville West come out to dance and play at the Halloween Disco. The Canteen will also be open for hotdogs, ice-creams and other spooky treats.

Get dressed up, pack a picnic and come have a boogey! \$10 per family at the gate.

This year we are also holding the Bizarro Bazaar – a night market full of unearthly delights. \$5 to open a SPOOKY & KOOKY stall! eg. Crazy Hair, Jellycups, Nail Bar, Photo Booth, Cupcakes...

Book a stall at this Google Sheet:
www.tinyurl.com/Bizarro2018

We would love some parent volunteers on the canteen and overseeing the Halloween Disco floor. Roster sheets open next term, please consider helping!

Art show success!

To all our Artist Parents and Carers – Lindy Alwis, Katie Clulow, Rebecca Gaylard, Clare Nadas, Natan Nadas, Mickie Quick, Liz Roberts, Sam Roberts, Melanie Stopic, Chris Smith – many thanks for showing your artwork. It was a sheer delight to be let into your creative worlds.

Thank you to all the community and school volunteers who generously gave their time and made the art show a great success.

Thanks to Jo Tomlinson, Bec Stone, Dave Partridge, Lynne Hamilton, Alex Heffernan, Alex Burke, Alex Ross, Rosa Reitana and Melanie Stopic.

Also a thank you to Peter Haastrup for his generous donation.

A special thanks to Raine and Horne Marrickville for providing an expert auctioneer and for their continuing support of the school.
