TERM 1 2021

# KINDY BUDDIES

Kindy have loved playing and learning with their year 5 buddies.

Great job year 5!

# SWIMMING CARNIVAL 2021

The first day of Autumn was a fabulous day for our school swimming carnival. Congratulations to all who participated and enjoyed the fun.

Well done to all the students who participated in races at this year's Swimming Carnival. Each race was a timed final and the recorded times were used to determine the 3 fastest students in each age group.

Thank you to the House Captains who did a fabulous job supporting their teams and teachers on our day.

Congratulations to the following students who have received a ribbon at school from the House Captains:

# HARMONY WEEK

During Harmony Week our school considered the issue of racism and why it's important that we all belong. We wore lots of socks in recognition of Down syndrome Awareness Day and talked about how we can all stand up and say "Bullying NO WAY!"

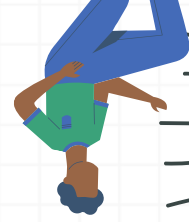

# DANCE & GYMNASTICS

Students have been attending Multisport every week this term. They have been learning Dance and Gymnastic skills. We all have a lot of fun!!

# STAR JUMP CHALLENGE

We participated in the Star Jump Challenge raising \$337 from MWPS for PCYC NSW. We also added \$35.75 to the Inner West Police Command's fundraiser when they came out to jump with us.

By adding a mental wellness program into PCYCs across NSW, they hope to help young people build resilience and grit, and an optimistic approach to daily life.

This challenge was a great way to start conversations about mental health. Just like physical health, it is a continuum that moves between being fit or unfit and things like exercise and finding people to talk to about thoughts and feelings can support staying fit in our minds. The students completed over 6,400 star jumps throughout the week. We also welcomed guests Senior Constable Blake, Constable Nicolas and Ryan from the PCYC to do 50 Star Jumps as a whole school effort!
